

ILLINOIS

CHAPTER

AMERICAN COLLEGE
of CARDIOLOGY®

EMPOWER YOUR VOICE. ELEVATE YOUR IMPACT.

As a healthcare professional, your voice is powerful in shaping policies that affect your patients, practice, and profession. Join us for Advocacy 101, a targeted webinar designed for physicians and advanced practice providers looking to engage in effective advocacy at the state and national level.

What You Will Gain:

- Strategies to effectively communicate with legislators and policymakers
- Key advocacy tools to influence healthcare policy and reform.
- Insights into the legislative process and how it impacts medical practice
- Practical steps to become a strong advocate for your patients and profession

Our Speaker:

Dan Johnson, Illinois ACC Lobbyist
Lobbying for Improvements

Monday, February 10, 2025
5:30-6:30 PM
