CARDIO-ALLIANCE: A NEW ILLINOIS ACC EXPERIENCE

Bringing clinicians, researchers, and medical science liaisons together for a focused, interactive discussion on high-impact cardiovascular trials.

What to expect:

- Real-world discussion of key trial data and sub-analyses
- Clinical perspective from an Illinois ACC expert discussant
- Meaningful dialogue on how new science translates to patient care.

Who should attend:

Physicians, APPs, fellows, and cardiovascular care team members.

Participating Companies Include:

Bayer, BridgeBio, Esperion and IONIS.
