ILLINOIS CHAPTER ACC ANNUAL SYMPOSIUM

September 21, 2024
Chicago Women's Athletic Club

Registration

An Invitation To Our Colleagues

Dear Colleague,

We invite you to join us and our outstanding faculty for Illinois ACC Annual Symposium on Saturday, September 21, 2024, at The Chicago Women's Athletic Club in Chicago, IL. This Symposium features a great program with speakers focused on cardiovascular innovation benefiting all members of the cardiovascular care team.

The meeting is designed for cardiovascular physicians, nurses, administrators, allied health personnel, cardiovascular fellows-in-training and residents from across Illinois. Members of the healthcare team provide care for patients with cardiovascular health needs in a wide variety of environments affecting the lives of countless patients and families. Our knowledge of the cardiovascular system and its interactions between various other organ systems continues to evolve. As the overall care of the patient with cardiovascular disease becomes increasingly complex, it is imperative that the cardiovascular professional team remain current on the diagnosis and treatment of heart disease. We encourage you to post this registration brochure for members of your cardiovascular care team and encourage them to attend this outstanding educational opportunity. Program brochures and registration can be found on the Chapter's website at www.ilacc.org.

Statement of Need:

The entire Cardiovascular (CV) Team needs this activity in order to be up to date on the most current treatment modalities for their patients.

Overall Goal:

Overall, the entire CV Team is responding to the ever-changing healthcare environment and new treatment options for their patients. This activity will increase their knowledge of these new treatment options for the entire CV Team.

Learning Objectives:

- Discuss the pathways for leadership in the ever changing health care environment.
- Describe current practices in diagnosis, screening and management of patients with hypertrophic cardiomyopathy, pericardial disease and atrial fibrillation.
- Distinguish the role of the care team in cardiovascular disease prevention for the cardiovascular patient.
- Contrast various interventions in treating patients with cardiogenic shock.

Target Audience:

Physicians, Nurses, Physician Assistants, Nurse Practitioners, Pharmacists and the entire CV Team.

Joint Accreditation Statement:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the American College of Cardiology Foundation (ACCF) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation

Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Joint Providership Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology and the Illinois Chapter of the American College of Cardiology. The American College of Cardiology is accredited by the ACCME to provide continuing medical education for physicians.

MOC:

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.25 Medical

Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Credit Designation Statement:

PHYSICIANS:

The ACCF designates this internet enduring material for a maximum of 6.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES:

The ACCF designates this educational activity for a maximum of 6.25 continuing nursing education contact hours.

PHARMACISTS:

ACCF designates this continuing education activity for 6.25 contact hours of the Accreditation Council for Pharmacy Education. ACPE Universal Activity Number (UAN): JA4008225-9999-22-017-L04-P.

PHYSICIAN ASSISTANTS:

The American College of Cardiology Foundation has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 6.25 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Interprofessional Continuing Education (IPCE) Credit:

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 1.75 Interprofessional Continuing Education (IPCE) credits for learning and change.
